

THANK YOU FOR YOUR SUPPORT OF HONOR FLIGHT

WE HAD THE TRIP OF A... LIFETIME!

The Community Foundation served as the sponsoring organization for Coastal Georgia Honor Flight, which hosted 45 WWII and Korean Veterans and 60 support personnel for a daylong trip to Washington, DC on May 2nd. It was a full day of recognition and celebration for these Veterans who served bravely and selflessly to save our country and the world. Read the coverage of Coastal Georgia Honor Flight.
